the Ibaryath Abar'Rishoni [Americans]

*"And now go to; I will tell you what I will do to my vineyard: I will take away the hedge thereof, and it shall be eaten up; and break down the wall thereof, and they shall be trodden!"*

## The Hard-Says of Life Outside of the Covering of Ah'ba Nawa Hawa

Everyday in Babylon, the land of our captivity, a so-called African American man, woman, and child goes missing without a trace and in the absence of mainstream media's attention. Relatives of the missing often take the lead in trying to locate their missing beloved ones by taking to social media; praying against all hope that someone somewhere has seen their beloved missing amongst us.

The National Center for Missing and Exploited Children based in Washington D.C., the lead organization in the United States assigned to tackling all missing person cases cites, as of July 23, 2019, 5:37 PM ET., 60% of the 800,000 missing Americans are People of Color—Ibaryath Abar'Rishoni [Americans], unbeknownst to themselves or the masses. Even more devastating is according to 2018 statistics Ibaryath Abar'Rishoni [Americans] make up only 13% of the total U.S. population, yet, comprise 30% of the reported missing without a trace.

What's happening to the missing children of Yisrael?

How can the all “loving” seeing Alahayam of our forefathers allow tragedy to continue to befall His children without recognition, recompense, or restoration?

The answer is harsh but simple!

The missing without a trace amongst the children of Y'israel are removed from Ah'ba Nawa Hawa's obligatory and promised “Hedge of Protection”; remaining separated from Him by their willful continuation of bloodline generational Deuteronomy 28 curses spoken of in our Ibaryath Scriptures.

From the most tender amongst Y'israel to the eldest gone missing the Deuteronomy 28 curses placed upon our ancestors remained lawfully intact amongst the “lost” children of Y'israel, at the time of their reported missing; haven't not been personally repented by them or parental guardian, having chosen lifestyles antithetical to Scriptural Laws given unto Jacob (Southern Kingdom) and Israel (Northern Kingdom)—remaining stiff-necked and outright rebellious against the Alahayam of our forefathers; loving the g-d of this world more than our Ah'ba Nawa Hawa,

Concluding, the so-called African Americans are the *vineyard* spoken of in Isaiah 5:5 to which Ah'ba Nawa Hawa declared He would take away our “Hedge of Protection”; break down the walls—hedges, and allow the g-d of this wicked world to devour and continually oppress those amongst the children of Y'israel who willfully serve sin and live outside the hedge of protection of the Most High, instead of walking in obedience to His Laws which are far from grievous!

As long as the children of Y'israel willfully choose to live lifestyles outside the Covenant made between our ancestors and the Alahayam of Y'israel; lifestyles, to which, shall forever remain antithetical to the Laws of Ah'ba Nawa Hawa, by default, they have removed the Alahayam of our forefathers promised hedge of protection from around them; making even our Aunties “Grace” and “Mercy” not obligated to protect them from the wiles of our enemy, the ruler of this darkened and wicked earth, our Ah'ba Nawa Hawa has given it over...

*The earth is given into the hand of the wicked: he covereth the faces of the judges thereof; if not, where, [and] who [is] he? Job 9:24 (KJV)*
